Get Involved – Exhibit Your Photography

2016 is the 9th annual collaborative photography exhibition organised by the #Connected Photographers under the banner ‘#Connected2016: Individuality’. We bring together photographers of all levels, genres, all ages and from enthusiasts to pros, from all over the UK and beyond. The exhibition is held at the renowned [Patchings Art Centre](#) in Nottingham and runs for a month from the 23rd April 2016.

The exhibition is ‘open’ entry. There are no stuffy selection committees, as both ours and the art centre’s ethos is for *inclusivity, access, creativity, individuality, collaboration and opportunity to exhibit at a renowned gallery! It is open to ALL!*

The organising group take most of the stress from the ‘togs involved as we deal with all printing, mounting and framing professionally and have negotiated superb deals to keep the cost *per image* down to £30. All you have to do is [fill in this registration form](#) please do grab your spaces quickly as demand is massive. Submissions close on the 7th Feb 2016, we will then collect all hi-res images and payment, for printing and framing.

The only other thing for ‘togs to do is come along and enjoy the opening event on 30th April with two superb speakers, to be announced. *It promises to be the photography event of the spring... again!*
